

July 12, 2017

Dear Parent(s):

This letter presents information regarding the fact that the Fox Chapel Area School District has expanded accident insurance to cover ALL interscholastic student/athletes, cheerleaders and band members throughout their respective sport/competition season during the 2017-2018 school year. Therefore, this coverage will protect your child during his/her participation in all officially scheduled contests as well as practice sessions which are conducted by the school district. If your child should become injured during competition or practice and outside medical attention is sought please contact the athletic office and you will be instructed on how to seek reimbursement for your medical expenses associated, with the injury, from this policy.

This expanded coverage however, does not cover your child during the course of the normal school day. Therefore, it is recommended, if you do not have medical health insurance that you may consider purchasing low-cost Student Accident Insurance.

The U.S Fire Insurance Company has been authorized to provide the accident coverage for students enrolled in the Fox Chapel Area School District. This insurance pays for accidents that occur on the way to or from school, on school premises, while attending or taking part in any school sponsored and supervised activity. Please keep in mind that participating in this program is strictly voluntary.

In order for students to be covered during school hours a one-time fee of \$22.50 will be assessed. Again, this insurance will only cover your child during school hours. However, you may also choose to obtain accident insurance that would cover your child 24 hours a day 365 days a year at a rate of \$90.

You may find this information on the district's main home page at www.fcasd.edu. Please take a moment to read the schedule of benefits, so that you might understand what is available under this plan. The schedule should be retained for your later reference. If you wish to have your child insured, please complete the information as requested on the application, enclose the proper premium (make all checks payable to the U.S Fire Insurance Company) and mail it to: AD Administrators, Inc. P.O. Box 979 Valley Forge, PA 19482. Please note the Fox Chapel Area High School in the memo section of the check.

In the event of a claim, the student is to secure the accident report form from the school office or athletic trainer. Please fill out the form completely, including the doctor's statement and mail to: AG Administrators, Inc. P.O. Box 979 Valley Forge. PA 19482. For claims information, you may call the claims office at 1-800-752-2008.

Sincerely,

Michael O'Brien,
Athletic Director
