American Red Cross

Together, we can save a life

DONATE BLOOD

Blood and gas have one thing in common this summer. They're both in short supply.

Consider Yourself Asked™

All who come to donate at an American Red Cross donor center or blood drive from June 29 through September 6, will have the opportunity to enter a drawing to win one of two $100 gas cards that will be given away each week.

A safe and ample blood supply is a community-wide responsibility. Blood must be readily available whenever and wherever it is needed for patients.

We need your help now. Please donate blood. Many people say that they have not donated blood simply because they have never been asked to. Well, *Consider Yourself Asked*.

To schedule an appointment to donate, call **1-800-GIVE-LIFE.**

To give blood you must be 17 years of age or older, weigh at least 110 pounds, and be in general good health.
