

★ **IF YOU WANT REAL CHANGE, ★  
SUPPORT RALPH NADER, THE  
INDEPENDENT CANDIDATE FOR  
PRESIDENT OF THE UNITED STATES.**

Ralph Nader is respected for his integrity and his 40-year fight for public health and safety, the needs of working people, and environmental protection.

Working bipartisanship with Congress and citizen's groups, Ralph

Nader was instrumental in the successful passage of landmark legislation, resulting in the:

- Auto Safety Act
- Clean Air and Clean water Acts
- Freedom of Information Act
- Environmental Protection Agency (EPA)
- Occupational Safety and Health Administration (OSHA)

Ralph Nader is from a working family in Connecticut, not from inherited money.

His running mate, Peter Miguel Camejo, is a veteran civil rights fighter. He chairs a company that pioneered the management of investments in socially responsible corporations.

★ **Ralph Nader and Peter Miquel Camejo are challenging Americans to take control—to build a better, safer and more democratic country.**

## ★ DECLARE YOUR ★ INDEPENDENCE ★

★ Instead of invading other countries in the guise of combatting stateless terrorism, Ralph Nader would rely on more effective intelligence, policing and prosecution—**without abusing basic human rights**. He would rethink American policies that go to the roots of such violence, such as U.S. support of dictatorial regimes that brutalize their people.

★ Nader's proposals would be funded by a fair tax system that eliminates loopholes and ensures that corporations pay their share. Nader would **relieve the tax burden on working families**. For example:

- Nader would eliminate federal income taxes on the first \$50,000 of personal income.
- Nader would place a penny tax on every stock market trade. This would generate \$150 billion for the federal government.
