Communiqué from the Ansar al-Sunnah Army in Iraq

October 18, 2004

“Special congratulations from the Ansar al-Sunnah Army to the Tawheed wal-Jihad Movement, on the occasion of its addition to the list of terrorists.”

“In the name of Allah, Most Gracious, Most Merciful:”

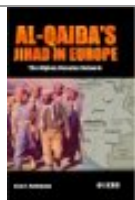

“Praise be to Allah who supports the mujahideen... and humiliates the infidels and their supporters and terrorizes them through his servants among the mujahideen... Those of us from the Ansar Al-Sunnah Army celebrate and congratulate the Muslims and all of our mujahideen brothers in the Tawheed wal-Jihad Movement on the occasion of their inclusion on the list of terrorists.”

“Our congratulations should not be a surprise to anyone who understands the true nature of our Islamic religion, which is based on verses from the noble Quran verses and the words of the noble prophet. We are optimistic that this recent declaration by the evil Bush government will only bring us joy and happiness. Why would it not? Allah says, ‘In their hearts, they fear you more than they fear Allah’ (Surah Al-Hashr, Verse 13). And Allah says, ‘Make ready against them with the utmost of your power to strike terror into the hearts of the enemies of Allah, who are also your enemies.’ (Surah Al-Anfal, Verse 60) ...The declaration by the evil Bush government is merely the literal translation of what God Almighty and the Prophet—peace be upon him—have already confirmed.”

“Praise be to Allah, it increased the joy in our hearts that John Kerry, the presidential candidate, has criticized the Bush government for taking so long in making this declaration. The one who may become the president of America is already struck with terror by our brothers from the Tawheed wal-Jihad Movement. The repeated attacks that have targeted the evil Bush are now echoing on Kerry, even though he is not yet a president. This is what Allah means when he commands us to ‘terrorize your enemy and the enemy of Allah.”

“This announcement came after a series of blessed jihad attacks and it is a sign of victory, and a sign that [they] are on the true path, if Allah wills it. O’ brothers, stay optimistic and steadfast, and praise Allah... Allahu Akhbar, and the honor goes to Allah, his messenger, and the believers.”
