GENERAL INSTRUCTIONS AND CONDITIONS

DIVERSITY IN EMPLOYMENT AND CONTRACTING REQUIREMENTS

– The City of Portland seeks to extend contracting opportunities to Minority Business Enterprises, Women Business Enterprises and Emerging Small Businesses (M/W/ESBs) in order to promote their economic growth and to provide additional competition for City contracts. Therefore, the City has established an overall 20% utilization goal in awarding PTE contracts to ESBs. No goal is set for the use of M/WBE firms, but the City is committed to ensuring that such firms receive opportunities and equal consideration to be awarded City PTE contracts.

ENVIRONMENTALLY PREFERABLE PROCUREMENT – In accordance with the City's Sustainable City Principles and the City's Sustainable Procurement Policy, the City of Portland values the use of products and services that minimize the negative human health and environmental impacts of City operations. Therefore, proposers are encouraged to incorporate environmentally preferable products or services into their responses wherever possible. "Environmentally preferable" means products or services that have a lesser or reduced effect on human health and the environment when compared with competing products or services that serve the same purpose. This comparison may consider raw materials acquisition, production, manufacturing, packaging, distribution, reuse, operation, maintenance, or disposal of the product or service. To view the above City policies go to www.portlandonline.com and navigate to "Charter, Code & Policies Documents".

INVESTIGATION – The Proposer shall make all investigations necessary to be informed regarding the service(s) to be performed under this request for proposal.

CLARIFICATION OF REQUEST FOR PROPOSAL – Proposers who request a clarification of the RFP requirements must submit questions in writing to the person(s) shown in the REFER QUESTIONS TO section on the cover of this RFP, or present them verbally at a scheduled pre-submittal conference, if one has been scheduled. The City must receive written questions no later than the date stated herein. The City will issue a response in the form of an addendum to the RFP if a substantive clarification is in order.

Oral instructions or information concerning the Request for Proposal given out by Bureau or Office managers, employees or agents to prospective Proposers shall not bind the City.

COST OF PROPOSAL – This Request for Proposal does not commit the City to pay any costs incurred by any Proposer in the submission of a proposal or in making necessary studies or designs for the preparation thereof, or for procuring or contracting for the services to be furnished under the Request for Proposal.

CANCELLATION – The City reserves the right to modify, revise or cancel this RFP. Receipt and evaluation of proposals or the completion of interviews do not obligate the City to award a contract.

LATE PROPOSALS – Proposals received after the scheduled closing time for filing will be returned to the Proposer unopened.

REJECTION OF PROPOSALS – The City reserves the right to reject any or all responses to the Request for Proposal if found in the City's best interest to do so. In the City's discretion, litigation between the City and a Proposer may be caused for proposal rejection, regardless of when that

litigation comes to the City's attention and regardless how the Proposer's proposal may have been scored. Proposals may also be rejected if they use subcontractors or subconsultants who are involved in litigation with the City. Proposers concerned about possible rejection on this basis should contact the City before submission of a proposal for a preliminary determination of whether its proposal will be rejected.

CONFIDENTIALITY – All information submitted by Proposers shall be public record and subject to disclosure pursuant to the Oregon Public Records Act (ORS 192.410 et seq.), except such portions of the proposals for which Proposer requests exception from disclosure consistent with Oregon Law. Criteria		Maximum Score
a.	Cover Letter	0
b.	Project Team	20
c.	Proposer's Capabilities	25
d.	Project Approach and Understanding	25
e.	Diversity in Employment and Contracting	15
f.	Proposed Cost	15
g.	Supporting Information	0
	Total Points Available	100

2. PROPOSAL REVIEW

An evaluation review committee will be appointed to evaluate the proposals received. For the purpose of scoring proposals, each committee member will evaluate each proposal in accordance with the criteria and point factors listed above. The evaluation committee may seek outside expertise, including but not limited to input from technical advisors, to assist in the evaluation process.

The successful Proposer shall be selected by the following process:

- a. An evaluation committee will be appointed to evaluate submitted written proposals.
- b. The committee will score the written proposals based on the information submitted according to the evaluation criteria and point factors.
- c. The committee will require a minimum of five (5) working days to evaluate and score the written proposals.
- d. A short list of Proposers, based on the highest scores, may be selected for oral interviews if deemed necessary. The City reserves the right to increase or decrease the number of Proposers on the short list depending on the scoring and whether the Proposers have a reasonable chance of being awarded a contract.
- e. If oral interviews are determined to be necessary, the scores from the written proposals will be considered preliminary. Final scores, based on the same evaluation criteria, will be determined following the oral interviews.

All communications shall be through the contact(s) referenced in Part II, Section A.2 of the RFP. At the City's sole discretion, communications with members of the evaluation committee, other City staff or elected City officials for the purpose of unfairly influencing the outcome of this RFP may be cause for the Proposer's proposal to be rejected and disqualified from further consideration.

For contracts over \$100,000, the evaluation committee's recommendation for contract award will be submitted to the Portland City Council for approval. The City has the right to reject any or all proposals for good cause, in the public interest.

NOTE: In the City's discretion, litigation between the City and a Proposer may be cause for proposal rejection, regardless of when that litigation comes to the City's attention and regardless how the Proposer's proposal may have been scored. Proposals may also be rejected if they use subcontractors or subconsultants who are involved in litigation with the City. Proposers concerned about possible rejection on this basis should contact the City before submission of a proposal for a preliminary determination of whether its proposal will be rejected.

3. CLARIFYING PROPOSAL DURING EVALUATION

At any point during the evaluation process, the City is permitted, but not required, to seek clarification of a proposal. However, a request for clarification does not permit changes to a proposal.

SECTION B

CONTRACT AWARD

1. CONSULTANT SELECTION

The City will attempt to reach a final agreement with the highest scoring Proposer. However, the City may, in its sole discretion, terminate negotiations and reject the proposal if it appears agreement cannot be reached. The City will then attempt to reach a final agreement with the second highest scoring Proposer and will continue on, in the same manner, with remaining proposers until an agreement is reached. A consultant selection process will be carried out under Portland City Code Chapter 5.68.

2. CONTRACT DEVELOPMENT

The proposal and all responses provided by the successful Proposer may become a part of the final contract. The form of contract shall be the City's Contract for PTE Services.

3. AWARD REVIEW AND PROTESTS

REVIEW:

Following the Notice of Intent to Award, the public may view proposal documents. However, any proprietary information so designated by the Proposer as a trade secret or confidential and meeting the requirements of ORS 192.501, 192.502 and/or ORS 646.461 et seq., will not be disclosed unless the Multnomah County District Attorney determines that disclosure is required. At this time, Proposers not awarded the contract may seek additional clarification or debriefing, request time to review the selection procedures or discuss the scoring methods utilized by the evaluation committee.

PROTESTS OF CONTRACT AWARDS:

Protests may be submitted to the Chief Procurement Officer only for contracts in excess of the formal limit established by the City Auditor (reference <http://www.portlandonline.com/omf/index.cfm?a=74585&c=27353>), and only from those Proposers who would receive the contract if their protest were successful.

Protests must be received by the Chief Procurement Officer within seven (7) calendar days UNLESS OTHERWISE NOTED following the date the City's Notice of Intent to Award was issued. The protest must specifically state the reason for the protest and show how its proposal or the winning proposal was mis-scored or show how the selection process deviated from that described in the solicitation document. No Contract will be awarded until the protest has been resolved.

Protests must be timely and must include all legal and factual information regarding the protest, and a statement of the form of relief requested. Protests received later than specified or from other than the Proposer who would receive the contract if the protest was successful will not be considered. The exercise of judgment used by the evaluators in scoring the written proposals and interviews, including the use of outside expertise, is not grounds for appeal.

The Chief Procurement Officer may waive any procedural irregularities that had no material effect on the selection of the proposed contractor, invalidate the proposed award, amend the award decision, request the evaluation committee re-evaluate any proposal or require the bureau to cancel the solicitation and begin again to solicit new proposals. In the event the matter is returned to the evaluation committee, the Chief Procurement Officer shall issue a notice canceling the Notice of Intent to Award.

Decisions of the Chief Procurement Officer are final and conclude the administrative appeals process.
