

Commissioner Nick Fish
City of Portland

November 24, 2009

**STATEMENT FROM COMMISSIONER NICK FISH
REGARDING PORTLAND POLICE**

I have full confidence in the leadership of Commissioner Dan Saltzman and Chief Rosie Sizer.

I have the highest regard for the men and women who maintain public safety in our community and have seen firsthand the compassion and commitment they bring to their work including during last year's winter emergency.

I will continue to work to maintain respectful dialogue among all parties.
