THE BIG FAT YEAR END KISS OFF COMEDY SHOW XX

For the **TWENTIETH** consecutive year, Will Durst and his merry band of pranksters are taking their end of the year comedy extravaganza to different nooks and crannies of the Bay Area where they plan to satirize, parody, lampoon, mock, scoff, taunt, ridicule, tease, rib, kid and josh current events and do it all with a modicum of taste.

The Big Fat Year End Kiss Off Comedy Show features skits, sketches and stand up comedy, all focusing on events occurring during the year of 2012. Some years the troupe admits having to stretch for material. But not this year, with iEverything, Honey Boo Boo, and perhaps the biggest election of our lives.

Continuing a holiday tradition as hallowed as coal in Mitt Romney's stocking and as welcome as an air freshener at a Bohemian Club outhouse on Chili Night, The Big Fat Year End Kiss Off Comedy Show consists of 6 comics, 7 cities, 8 shows and 2,347 laughs. This year will also contain favorite sketches/material culled from the past 20 years. Go figure. TWENTY YEARS!
