Complimentary Cross Stitch Designs by Brooke Nolan

This design may be reproduced for newsletter or handout but may not be kitted or sold.

From the Aran Sweater to the Zig Zag Stitch, the love of needlework is this alphabet's theme. Each letter block represents a unique stitching pleasure possessed by the hearts and hands of stitchers everywhere.

Letter Blocks are 31 x 36 stitches each.

They can be stitched, beaded, and embellished as individual motifs or stitched together on your fabric of choice to create a Stitcher's Sampler.

The model pictured here was stitched over two threads on 28 count Tea-Dyed Monaco by Charles Craft.

Finished dimensions will vary depending on fabric count and placement of the blocks in the composition.
