

**UNITED STATES COURT OF APPEALS FOR THE FOURTH CIRCUIT
CERTIFICATE FOR HIGHLY SENSITIVE DOCUMENT PROTECTION**

Use this certificate to file material afforded highly sensitive document protection in the originating proceedings. File certificate in paper form with one copy of highly sensitive document in a sealed envelope marked "HIGHLY SENSITIVE DOCUMENT." Also file the certificate in CM/ECF. If highly sensitive document protection was not afforded in the originating proceedings, a motion, rather than this certificate, is required if such protection is sought in this court.

No. _____ Caption: _____

(appellant, appellee, petitioner, respondent, other)

certifies as follows with regard to the highly sensitive material identified below:

1. Identify highly sensitive material being filed (do not include sensitive information in your description):

2. Identify order or other authority for treating material as highly sensitive:

3. Identify the appellate document containing the highly sensitive material:

- Appendix (file highly sensitive material in a separate volume)
- Brief (file two versions – one with highly sensitive material highlighted and one with highly sensitive material redacted)
- Document other than an Appendix or Brief (file two versions – one with highly sensitive material highlighted and one with highly sensitive material redacted)

Additional Specifics: _____
