

eQualityGiving Statewide Office Endorsement Form

eQualityGiving endorses candidates in Critical Equality Races for Congress and Statewide Office. Please indicate if your state has already achieved the goal listed below and whether or not you support it. If the goal has not been achieved, please indicate if you support legislation to achieve it.

EQUALITY GOAL: Hate Crimes Protection

- My state already has Hate Crimes legislation covering sexual orientation *and* gender identity/expression. I support such legislation.
- My state does not have protections for all the groups listed above, and I will support legislation to provide it.

EQUALITY GOAL: Non-Discrimination in Employment, Housing, Finance, and Public Accommodation

- My state already fully protects individuals from discrimination based on sexual orientation *and* gender identity/expression, and I support such legislation.
- My state does not have protections for all the groups listed above, and I will support legislation to provide it.

EQUALITY GOAL: Marriage Equality

- My state already has full marriage equality, and I support it.
- My state does not yet have marriage equality, and I support efforts to obtain it.

EQUALITY GOAL: Freedom of Gender

- My state allows transgender people to get a new birth certificate indicating their new gender, and I support it.
- My state allows transgender people to have a new drivers license and other state documents indicating their new gender, and I support it.
- My state does not yet provide transgender people with these new documents, and I support efforts to allow transgender people to obtain them.
- My state requires insurance companies to cover healthcare and gender reassignment procedures for transgender people, and I agree this is appropriate.
- My state does not require insurance companies to cover such treatments, and I support requirements to do so.

EQUALITY GOAL: Protecting Youth

- My state already has anti-bullying/anti-harassment laws that enumerate sexual orientation *and* gender identity and expression and I support such laws.
- My state does not have such protections, and I will support such legislation to provide them.

EQUALITY GOAL: Same Sex Parenting Rights

- My state already allows same-gender couples to jointly adopt and adopt as a second parent, and I support it.
- My state does not allow both types of adoption, and I support efforts to allow them.
