# 1 - The Need

## THE NEED

The warrior rides across the shores  
Searching for the one he adores  
Craving to hold her in his arms  
While he listens to the songbirds' charms

He can see her auburn hair whipping in the wind  
And can smell the sweet perfume that Nimbus sends to him  
The shining of her Emerald eyes  
And the sound of her voice makes his heart sigh

As he sees the castle in the distance  
He knows his longing will soon be gone in an instant  
Soon he shall be near her  
And never leave her again
