Momma Don t Cry

By: Melissa Whitten

Tears&

Mother don t cry

I m here for you now

As I hold your cold, fragile hand

My wish&my prayer

Is that your pain be gone away

I wish I could let you escape

To the place where you need to be

Somewhere safe

Warm

Loving

Momma don t cry

Some things in life we just can t help

God s in control

We may not understand

But it s all for the best

Mother don t be sad

You ve had a rough life

You have made bad decisions

But I forgive you

I know you didn t mean to

You ve taught me much

Like how to treat my husband

How to raise my kids

How to handle my money

And most important

Who to marry

Momma don t be sad

Your baby girl is growing up

She s living a better life

One day I ll get married

To the right man

My children will be happy

They won t have the memories I have

I only wish, you could watch it all unfold

Momma&I love you

Forever and always

No matter what

So please&don t cry&
