**Chapter 1 - My Life**

# 1 - My Life

"My Life"

I will never tell  
How all my life I've been in hell  
Pain and tears of unspoken fears  
Will never escape these lips

You've beat me down  
And told me off  
Yet you don't understand  
What else I've been through

Life is not easy for many of us  
And you are making things worse  
Just leave me alone  
Quit telling me what I lack

I'm sorry I can't be all you've wished  
But I've lost my soul in a dark abyss  
Since no one has cared or shared  
The love and kindness I asked for

So hide me  
While I slit my wrists  
And mourn in darkness all my life  
With pain and anger consuming me
