1 - My Secret Angel

My Secret Angel

My secret angel
You came to me on wings
With your beautiful soul
Your heart calls to me and sings

At first you were a friend
And then something was altered
My feelings for you
Somehow got stronger

I didn't want you to see
Nor did I want you to know
Because if my feelings weren't returned
My life would be gone and I hit an all time low

I'll just watch you from the shadows
Marvel at your beautiful face
Knowing you out of my league
And keeping my place

But I know if I died now
I'd never be happy
Never telling you how I feel
Even though it sounds kind of crapy

My feelings for you are strong
As strong as they can be
And now that you know
I'll just let things be

You'll never hear of this again
My feelings for you
Untill my secret angel
My wish comes true
