HERBICIDE

STORAGE AND DISPOSAL

Store in the closed, original container in a dry, cool, well-ventilated area. DO NOT store for prolonged periods in direct sunlight. Triple rinse containers before disposal. Add rinsings to the spray tank. Do not dispose of undiluted chemicals on-site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots, in compliance with relevant Local, State or Territory government regulation. Do not burn empty containers or product.

SAFETY DIRECTIONS

Poisonous if inhaled or swallowed. May irritate the eyes. Avoid contact with eyes. Do not inhale spray mist. When opening the container and preparing spray, wear cotton overalls, over normal clothing, buttoned to the neck and wrist, elbow-length chemical resistant gloves, and a half face piece respirator. If applying by boomspray equipment (closed cab or ATV), wear cotton overalls, over normal clothing, buttoned to the neck and wrist. If applying by low pressure hand wand and high pressure hand wand, wear cotton overalls, over normal clothing, buttoned to the neck and wrist, elbow-length chemical resistant gloves and a half facepiece respirator. Wash hands after use. After each day's use, wash gloves, contaminated clothing and respirator, and if rubber wash with detergent and warm water.

FIRST AID:

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126.

SDS

Additional information is listed in the safety data sheet (SDS). A safety data sheet for FARMALINX FIRESTORM Herbicide is available from FARMALINX Pty Ltd on request. Call Customer Service on 02 9389 2455.
