

## Genealogy Family Data Sheet

Please fill out the form for your family (parents and children) with as much info as you can. If you aren't sure about an item, either don't include it or put a "?" by that item. – thanks.

For all names, please enter the **full name at birth**. This obviously means maiden names for women, not married last names. Please include middle names or initials if you can. Nicknames can go in notes.

### Husband
